Before You Begin

Incomplete applications result in processing delays. As you review the following instructions, please take a moment to note any changes or suggestions that you feel would make them more understandable. You can make your comments or suggestions directly on the instructions and return them with your application.

Be sure to read all instructions completely before filling out the forms. Be sure to keep a copy of all forms for your records. The DMV will not return copies of forms.

The Service Provider Application (INF 1106V) is to be used by Service Providers **ONLY**. A “Service Provider” includes:

- (2) an “**Agent**” which includes a person or entity who is authorized by a pre-approved requester and the DMV to access, receive and or use DMV record information on behalf of that pre-approved requester.

If you are requesting access to DMV record information to perform your own legitimate business purpose, you should be completing form INF 1106 “Commercial Requester Account Application” which is available on the DMV’s website at www.dmv.ca.gov, click on “Other Services” and “Commercial Requester Account” or by contacting the DMV’s Account Processing Unit at (916) 657-5564.

NOTE: No Service Provider is allowed to go through another Service Provider in an intermediate or second tier process for Direct Access (On-Line). See Section E.3.

Account Number

If you are submitting a renewal or change application, indicate the “account number” that has been issued by the DMV. On new applications, the account number will be entered by the DMV technician and included on your approval letter.

NOTE: The “Account Number” was formerly referred to as the “Agreement Number”.
